

<b><u>NOEBBC Survey pre contest 2014.</u></b>	
Is the information given prior to the contest adequate?	
The Dolphin Centre, our current venues is constantly evolving. Cost is a prime consideration. Would you pay a premium on your entry fee to cover additional costs on another venue?	
Can you give a brief list of negatives in order of preference, with the current venue?	
A warm up facility is currently not available; would you consider this an essential requirement with the contest?	
The geography of the region is a prime consideration; would you consider alternative venues, in the North, South and West of our region?	
Do you have any suggested alternative venues for the contest that we could explore? Please list.	
Should we hold our contest in one venue on one day?	
We currently have one adjudicator per sections. Other areas have two, but the additional cost is included in the entry fee. Is this something you wish us to consider	

Is the current date (3 <sup>rd</sup> week end in March) a preferred date. This clashes with other areas should we consider this for the future?	
Is the cost of entry an issue?	
Can you give a brief list of positives with the current venue in order of preference?

Thank you for completing this short questionnaire, the information will remain confidential, but will be used to determine opinion. The management of the North of England Brass Band Championships is planned some way in advance. We will consult if any changes are proposed, prior to any implementation. The majority view will always be considered, where practical.
